From **Schiphol airport** take the train to Amsterdam Zuid. This is a 7 minute train ride, with a train every few minutes (not the train to Amsterdam Central Station, but trains to Utrecht, Almere, Lelystad, Eindhoven, Nijmegen, Groningen, Hilversum). From elsewhere outside Amsterdam also take the train to Amsterdam Zuid.

Walk to the end of the uncovered part of the platform, down the stairs and to the left. Walk along this road for about 5 minutes until the traffic lights, where you cross the road and turn right (you are now in front of the VU University main building). Turn left before (or after) the big red building and then right once you reach the next ‘road’. The main entrance to our building is on your left just before you exit the campus.

From **central Amsterdam** take tram 5 or 51 to the campus, and then walk as described above from the traffic lights.
